## Welcome to the Nevada State Elks Association Mid-Term Meeting for 2024!

Dear Elks, Families, Distinguished Guests, and Friends,

It is my honor and privilege to welcome all of our Brother and Sister Elks to the November Mid-term convention in Carson City. We are going back to Carson City this year, and it will be better than it was last year, which will be hard to do. Everything will be held at the Carson City Plaza Hotel and Convention Center again. Last year we had a great time there, and the meals were delicious. I know it will be the same this year.

There will be a streamlining of the meetings this year. The committee reports will be shorter, and there will be more workshops and learning activities to attend. The NSEA Convention Committee is working hard to accommodate everyone, and we should have an informative and fun convention. We are planning on making this a more informative convention, so you feel like it will be a better use of your time. I know that the Convention committee will do all in its power to achieve these goals.

The Grand Exalted Ruler, Douglas A. Schiefer, and his wife Julia, will be joining us for the weekend. We are also going to be honored by the attendance of PGER Jim Grillo and his wife, Lucia, and PGER Robert Duitsman and his wife Beth. I know they always have interesting insights to share. Grand Lodge Committeemen Rick Stone (Government Relations) and Bill Bohnett (Activities) will be giving us information on their committees as well. They will be accompanied by their wives Denise and SueEllen (respectively). GL Public Relations Committeeman Patrick Akes and his wife Deserie from Corona California and GL Committeeman Ron Brooks and his wife Lorna will also be a part of our Meeting and will help with the work shops as presenters.

We are looking forward to seeing all of you again. Remember, going to these conventions will help you “**Remember Why**” you became an Elk and the reasons for what you do for the organization.

Fraternally,

Ross Dyer, President  
Nevada State Elks Association
